CONGRATULATIONS TO OUR 2025 GRADUATES!

Wishing all of our graduates the best of luck and success in their future endeavors!

Jaylah Dunlap: Graduated from Plum Senior High School and will be attending University of Pittsburgh, main campus, to study Law and Criminal Justice this fall. Jaylah would like to thank her parents and sister who always believed in her and supported her. Jaylah would like to thank Donna's Dance studio and the teachers for all the wonderful memories. Special thanks to Heather for believing in her and supporting her along the way

Sofia Izaguirre : Sofia will attend Seton Hill University in the fall to major in Biology Pre-Med and Minor in Dance. Sofia will continue her education at Lake Erie College of Osteopathic Medicine where she plans to focus in Pediatric Neurology. Sofia is grateful that her best friend Cassidy encouraged her to start taking dance classes at Donna's in the 5th grade. She never could have imagined where it would have taken her and the undeniable and wonderful sisterhood that would grow from her first dance class. Sofia is thankful to all of her teachers for pushing her beyond what she realized her potential was. She is also thankful for her parent's never ending love and support. Sofia will miss her fellow teammates and hopes she will have opportunities to dance with them in the future. Sofia is also planning and looking forward to dancing with Nolan Dance Collective.

Cassidy Klenoshek : Graduated from Franklin Senior High School. Cassidy will be attending West Virginia University to study Psychology and Business. Cassidy would like to thank her friends and family for supporting her through her dance career and all of the teachers at DSD who made her into a stronger dancer. She would also like to thank Miss Haley, Miss Tay, and Miss Ashley for always pushing her to do better. She would like to say thank you to all of her teammates and her best friend Sofia for the journey and so much love along the way. Cassidy wishes the best for everyone and to always push for their dreams even if it's hard.

Natalie Marney: Has graduated from Penn Trafford High School and will be attending Westmoreland County Community College to study Radiology. Natalie thanks her family for always cheering her on and being at all her dance recitals and dance competitions through the years. She will miss dance terribly as she has done it since she was 3 years old. She would also like to thank Ms. Tay for being such a great teacher ever since she first joined the prep competition team and she will always remember the great memories from being on the team.

Sadie Oshetsky: Is a proud graduate of Franklin Regional High School and will be continuing her journey at Florida Gulf Coast University, where she will pursue her dream of becoming a nurse. As she closes this meaningful chapter, Sadie wishes to express her deepest gratitude to the teachers who supported and inspired her throughout the years. A heartfelt thank you goes especially to Miss Jess, whose constant encouragement pushed Sadie beyond her comfort zone and shaped her into the dancer she is today. To the incredible girls she has danced beside for the past six years, you have become more than teammates; you are sisters who have filled her heart with laughter, strength, and unforgettable memories. And to her mom, thank you for introducing her to the world of dance at Center Stage Dance Studio in Florida and for being her biggest cheerleader every step of the way. Your love, support, and belief in her have made all the difference. Though she will always cherish the thrill of long competition weekends, what she'll miss most is the irreplaceable time spent with her dance family, her closest friends, her second home. These moments will forever hold a special place in her heart.

Grace Sybesma: Graduated from Greensburg Salem High School and will be attending The University of Pittsburgh to study Occupational Therapy. Grace would like to thank her family for always supporting her throughout her dance career. There have been a lot of practices, competitions, activities, costumes, and driving! She would also like to thank all of the DSD teachers who invested their time and love in her over the past 14 years. Their guidance has taught her so much more than dance and she will forever be thankful for their wisdom. Most importantly, she will miss her dance family and the girls that she's grown up with. Her teammates have become her best friends and have had such a positive impact on her. Grace is so grateful to have grown up in such an amazing dance studio and with an incredible dance family.

All of you young ladies will be extremely missed at the studio next year. We hope you know you will always have a home at DSD!!

We have had an incredible year with an added second location, new staff, new roles for existing staff and new additions to our DSD family (congrats Mr Joe (Milo) and Miss Ashley(Lola). All of these accomplishments would not be possible without the amazing staff that I am so very fortunate to have by my side each and every day. Our accomplishments, our students' success and our ability to overcome adversities and become better and stronger are all because of the love and passion you have for these kids. I could not be more proud or excited to see what the future holds for our dancers and our program. I thank you from the bottom of my heart!

Love D.
